Mission Statement
 The mission of Greene, Inc. is to provide dignified access to quality choices for persons with barriers to employment. Assisting individuals with their development and maintenance of independent functioning and providing a wide variety of community-based employment options are important components of this mission.

Care Values
 The success and growth of Greene, Inc. is driven by our core values. They include:

- Providing effective quality services to persons with disabilities, based on choice
- Providing highest quality services to residents
- Achieving high requirements, compliance, and accreditation best practices
- Creating a supportive growth environment through effective collaboration and partnerships
- Being guided by principles of ethical conduct in all areas of the organization
- Promoting safety and health excellence

Laundry Services
 Greene, Inc. is a major provider of Laundry Services in South Western Ohio. Our Laundry Division processes 2.5 million pounds of health care laundry annually. The laundry has been providing quality health care linen processing services since 1969. Greene, Inc. meets JCHO and OSHA Standards, and has a highly organized, accredited safety program.

Janitorial Services
 If your company is searching for a high quality, reliable, customer-oriented janitorial service you have come to the right place. Greene, Inc. has more than 15 years experience in the commercial janitorial business. We take pride in our reputation for providing a high quality service at reasonable prices. We operate 8 mobile janitorial crews daily. Each crew employs approximately 5 workers and a full time supervisor. These 8 crews provide daily service to 42 individual contract sites. In addition each crew is staffed with an experienced supervisor who is responsible for assuring our customers of the highest quality possible.
